

AT THE JW MARRIOTT, LAS VEGAS

## Corporate Spa Packages

Spa Aquae invites you to walk a personal journey as we add elements to connect with your inner self. Our luxurious 44,000 sq. ft. spa includes 36 treatment rooms, separate men's and women's facilities, outdoor co-ed hydrotherapy pools, fitness center and motion studio with an array of daily yoga sessions. Calm the mind with our wide-range of wellness treatments aimed to reduce work related stressors and hone concentration. Enjoy artisanal bites with our spa delight menu. Spa Aquae can tailor the perfect package to meet your company's desires, in an atmosphere that promotes tranquility and well-being.

**Wellness:** Feel inspired to deepen connections with your team in our serene fitness space, a true desert oasis surrounded by lush landscaping and cascading waterfalls.

**Spa Amenity Gift Bags:** Give the gift of continued relaxation by crafting customized spa amenity gift bags.

**Corporate Spa Packages:** Spa services may be personalized to create memorable experiences for team and relationship building. Meetings will never be the same.
