You want the absolute best for your employees and we want the absolute best for our guests. We are able to design the perfect package based on your company needs. Here are a few of the Corporate Spa Packages we have to offer.

**Corporate Relaxation and Teambuilding:** Join your colleagues for Yoga at Spa Aquae. The one hour class will keep you present as you learn to move gracefully in and out of poses seamlessly linking breath and movement. Class is open to all participants, regardless of fitness level or yoga experience. The class is limited to 30 people. Mats and water are provided. The fee for this is \$150 per hour.
